## Item 3 Disciplinary Information

Form ADV Part 2B requires disclosure of certain criminal or civil actions, administrative proceedings, and self-regulatory organization proceedings, as well as certain other proceedings related to suspension or revocation of a professional attainment, designation, or license. Mr. Justin Laurence Cairns has no required disclosures under this item.

## Item 4 Other Business Activities

Justin Laurence Cairns is a Registered Representative with Chalice Capital Partners, LLC. Chalice Capital Partners, LLC is a diversified financial services company engaged in the sale of specialized investment products. In this capacity, Mr. Cairns may recommend securities or insurance products offered by Chalice Capital Partners, LLC. as part of your investment portfolio. If you purchase these products through Mr. Cairns, he will receive the customary commissions in his separate capacity as a Registered Representative of Chalice Capital Partners, LLC.

Additionally, Mr. Cairns could be eligible to receive incentive awards such as Chalice Capital Partners, LLC may offer. He may also receive 12b-1 fees from mutual funds that pay such fees. The receipt of additional compensation may give Mr. Cairns an incentive to recommend investment products based on the compensation received, rather than on your investment needs.

As stated above, persons providing investment advice to advisory clients on behalf of our firm are registered representatives with Chalice Capital Partners, LLC. In their capacity as registered representatives, these persons receive compensation in connection with the purchase and sale of securities or other investment products, including asset-based sales charges, service fees or 12b-1 fees for the sale or holding mutual funds. Compensation earned by these persons in their capacities as registered representatives is separate and in addition to our advisory fees. This practice presents a conflict of interest because persons providing investment advice to advisory clients on behalf of our firm who are registered representatives have an incentive to recommend investment products based

on the compensation received rather than solely based on your needs. Persons providing investment advice to advisory clients on behalf of our firm can select or recommend, and in many instances will select or recommend, mutual fund investments in share classes that pay 12b-1 fees when clients are eligible to purchase share classes of the same funds that do not pay such fees and are less expensive. This presents a conflict of interest. You are under no obligation, contractually or otherwise, to purchase securities products through a person affiliated with our firm.

Justin Laurence Cairns is separately licensed as an independent insurance agent. In this capacity, he can effect transactions in insurance products for his clients and earn commissions for these activities. The fees you pay our firm for advisory services are separate and distinct from the commissions earned by Mr. Cairns for insurance related activities. This presents a conflict of interest because Mr. Cairns may have an incentive to recommend insurance products to you for the purpose of generating commissions rather than solely based on your needs. However, you are under no obligation, contractually or otherwise, to purchase insurance products through any person affiliated with our firm.

Mr. Cairns is a solicitor for Premier Documents and in this role he is eligible to receive compensation for referrals to Premier Documents. This presents a conflict of interest. You are under no obligation, contractually or otherwise to use the services of Premier Documents.

## **Item 5 Additional Compensation**

Refer to the *Other Business Activities* section above for disclosures on Mr. Cairns's receipt of additional compensation as a result of his other business activities.

Also, refer to the *Fees and Compensation, Client Referrals and Other Compensation, and Other Financial Industry Activities and Affiliations* section(s) of Capital Wealth Alliance's firm brochure for additional disclosures on this topic.

## **Item 6 Supervision**

In the supervision of our associated persons, advice provided is limited based on the restrictions set by Capital Wealth Alliance, and by internal decisions as to the types of investments that may be included in client portfolios. We conduct periodic reviews of client holdings and documented suitability information to provide reasonable assurance that the advice provided remains aligned with each client's stated investment objectives and with our internal guidelines.
